

Donation Form

Donations to the Woman's Culture Club can be an important part of maintaining our clubhouse and the projects we hold dear. Please consider making a contribution to the club in memory of a departed member or to honor a current member. Want to say "thank you" to a member who has helped you in some way? What better way than making a donation in her honor to the Scholarship Fund, for example?

You may also consider making this form available to your family or friends so they can honor you on a birthday or other special occasion by making a contribution in your name to the General Operating Fund or the Preservation Fund.

Contributions small or large are a thoughtful way to help our club do more in the community. We'd love to thank you for your donation, but anonymous donations are welcome as well.

Your Name: _____

Address: _____

In Memory or In Honor of: _____
